## **Dean Georgostathis**

513-600-7028 georgoac@mail.uc.edu deang.dev

Pursuing a Spring 2021 Co-op (January-May)

Education
 University of Cincinnati, Cincinnati, OH
 Bachelor of Science in Computer Engineering
 GPA 3.10

<u>Skills</u>

VHDL

FPGA Development

Digital Design

Arduino

Breadboard Electronics

Python

• C++

MATLAB

VBA

ModelSim

## Relevant Projects

Project Portfolio Website : deang.dev

- 8-bit, Breadboard Based, Arithmetic Logic Unit (ALU)
  - o Built an ALU which performs arithmetic (basic operations) with two 8-bit binary numbers.
  - Utilized: digital design, 5 breadboards, 28 ICs, transistors & capacitors.
- FPGA Controlled 4-Axis Wooden Robotic Arm
  - Designed from scratch and built a 4-Axis arm with wood, epoxy, and 8 servo motors.
  - Designed VHDL scripts to position the servo motors with pulse width modulation.
  - o Utilized: Altera FPGA, VHDL, Cyclone II IDE, 8 servo motors, UBEC, Arduino for IR.
- 2-bit Breadboard Based Multiplier
  - o Designed a 2-bit multiplier schematic using Karnaugh map simplification.
  - Implemented the schematic on breadboard with discrete, non-sequential logic.
- Modified SR Latch
  - Discovered the T flip-flop after modifying a transistor based S-R latch with touchpad input.
- C++ Videogame Projects
  - Developed Conway's game of life and Minesweeper in C++.
- Various Arduino Projects
  - Utilized: joystick, seven segment display, motion sensor, stepper and servo motors, IR transmitter and receiver for various small Arduino practice projects.
- Circuit projects with transistors
  - Built various latches & flip flops and recreated all logic gates with transistors for practice.

## Experience Technical Intern, Interlink Cloud Advisors, Landon, OH 8/24 – 12/13/2019

- IT Helpdesk, project assistant.
- Provided IT support while working directly with clients from 50+ corporations.
- Developed a VBA script in Excel to help with daily analysis of service board.
- Worked extensively with windows 10, and most apps in the Office365 suite, through Interlink's unique partnership with the Microsoft Corporation.
- Attended, documented and assisted in the implementation of IT environments for clients during many client meetings with Interlink executives.
